

COPYMATE® EXPRESS

The CopyMate® Express offline debit card reader allows for control of copiers, readers/printers, laser printers, and other office machines through the use of cash or unit cards. This unit is affordably priced and comes with features that other readers do not offer. All parameter settings can be made via SuperCard Access. Reports (usage and services) can be printed to the optional Dot Matrix printer. The CopyMate® Express is reliable and built to last.
